

RESTORE & RENEW

OUR VILLAGE

BECOME A PART OF THIS NEW OCEAN PARK TRADITION *ORDER YOUR CELEBRATION PAVERS*

Since May, 2013 over 300 families and individuals have contributed to the "Restore & Renew Our Village" Capital Campaign. Now, **in addition** to the generous pledges and one-time gifts that have been offered by members and friends of the Ocean Park Association, we are revealing a new way to celebrate the accomplishments and memories of our loved ones.

We are pleased to announce the opportunity to become forever "etched" into the heart of the Ocean Park community by purchasing a personalized and commemorative granite paver to be installed in the walkway outside the Memorial Library in Demeritt Square. The engraved pavers in the walkway will be a permanent tribute to those individuals who share a love of Ocean Park.

The individually engraved pavers will form the path by which visitors will pass on their way into the newly renovated Library. By adding your name, or that of a loved one, to a brick, you will be joining countless other Ocean Park friends—to pave the foundation for a promising future for this place we love.

Make a first impression and be one of the first to set in stone your love for Ocean Park today and become a part of the history of Ocean Park.

For the remainder of 2014, pathway granite pavers (4x8) are available for a donation of \$250.00 each. The deadline for ordering pavers at this introductory price is December 31, 2014. Starting on January 1, 2015 the price for the pavers will be \$300.00. Orders will be sent to Collette Monuments (our engraver) in batches of 20, and paver installations will begin in spring 2015.

PLEASE PRINT CLEARLY

All type will be centered. LETTERING ONLY

Maximum of 10-13 characters per line depending upon the lettering. We will work with the engraving company on a case-by-case basis as needed. Lettering is case sensitive and includes spaces and punctuation.
